What Is Boulder B-cycle?

Boulder B-cycle is our community’s nonprofit bike-sharing system. B-cycles are magic bikes that are always ready to ride, where and when you need them, for short trips of 30 minutes or less. When you want to cruise to happy hour or take a refreshing spin along Boulder Creek Path, B-cycles are there for you.

Why Use Boulder B-cycle?

- A fleet of 190 shiny red bikes at 33 stations (and counting) across Boulder.
- As many trips as you’d like, with no usage fees for trips under 30 minutes
- The knowledge that you’re helping to save the planet and using a truly renewable resource—pedal power!
