## RELEASE

Should any entry receive an award or be included in any publication, credits will be taken from your Concealed Identification Form. Since there may be no further communication regarding verification of information contained in this submittal, accuracy is essential. By making a submission, each entrant agrees that all information contained on this form is correct and complete. Any error or omissions are the responsibility of the entrant. Month of Modern will not be responsible for any incorrect information as supplied.

Each entrant certifies that Month of Modern is given permission to publish the information submitted for publicity purposes.

By signing below, each applicant confirms that the project, as submitted, was created solely by the applicant(s) without assistance from any other person(s).
